

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Justin Lynn Victory,

Plaintiff

v.

John DOES, et al.,

Defendants

Case No.: 2:23-cv-02086-CDS-NJK

**Order Denying Without Prejudice
Plaintiff's Motion to Stay**

[ECF No. 35]

On July 26, 2024, pro se plaintiff Justin Lynn Victory moved to stay this action, asserting he was informed he was imminently due to be extradited to the state of Arizona. *See generally* Mot., ECF No. 35. Then, on August 8, 2024, in accordance with the local rules, Victory updated his address to a facility in the state of Nevada. Notice, ECF No. 36. The notice suggests that this motion is moot, and it is therefore denied without prejudice. However, if Victory feels that a stay is still necessary, he may file a motion setting forth the reasons for his request and the court will consider it accordingly.

Thus Victory's motion to stay [ECF No. 35] is denied without prejudice.
